Principal’s Message

Year 11 2014
On Tuesday June 4th, the Lismore Community of Secondary Schools held an information evening for students entering Year 11 in 2014. The information evening was well attended and gave information on pathway options in the senior years. These pathways include academic streams, TAFE options, access to subjects at Southern Cross University, and access to school based traineeships and apprenticeships.

Year 10 students are currently having talks on what subjects will potentially be available next year and the course content of these subjects. Any parent wishing to discuss subject selections, course content, and/or pathway options are encouraged to come to the school library Monday June 17th.

During this time, the school executive team will be available to answer any questions people may wish to raise.

Athletics Carnival
Congratulations to all involved in the school athletics carnival this week. The weather was fantastic on the day. Many students participated in a number of events across the day. For such an event to occur, a number of teachers have to be involved behind the scenes. A special thank you goes to both Mr Dalli and Mr Dobbie for their work in the organisation, preparation and setting up of the day. Can I also thank the many teachers and students who were also involved in the setting up and packing up.

Uniform
Kadina High School is a uniform school supported by the P&C association. It concerns me what some of our students are wearing during the colder months. We now sell 3 options for tops in the colder weather, a woolen jumper, the ski type jacket and now a polo fleeced jacket. The canteen now sells Kadina HS unisex black shorts and in several days should have Kadina HS unisex black pants.

I would ask that you encourage your children to wear the correct uniform. Of real concern is the number of girls wearing inappropriate black tights. This type of clothing is not acceptable.

Staff Member
Sadly, I need to inform the school community of the passing of one of our staff members Mrs Susan McKenzie. Mrs McKenzie was a specialist Learning and Support Teacher at our school and worked with several Year 7 and 8 students on Thursdays and Fridays. Mrs. McKenzie had a long history with Kadina HS with several of her children attending this school in years gone by. Our thoughts are with her family at this time.

Secondary School Student Leadership
Kadina High School captains Vienna Barker and Taylor McBeath expanded their education when they took part in the 2013 Secondary School Student Leadership program in Sydney last week.

The pair were among secondary school captains from around the state invited to attend the program by NSW Governor Marie Bashir and presiding officers of the NSW Parliament.

The event gave Vienna and Taylor the chance to develop their knowledge of parliament and the role of the Governor. They had the opportunity to become more aware of democratic processes and experience the environment of Parliament House and Government House.

Prior to meeting with the Governor at Government House, Vienna and Taylor visited the NSW Parliament in Macquarie St, where they met with Lismore MP Thomas George.

NEWSLETTER – MUSIC – Term 2, Week 6

So far this term, a variety of music events and rehearsals have taken place.

![Students in 7A are also learning guitar in class.]

- It’s great to see a number of our Year 7 students involved in extra-curricular ensembles. The guitar ensemble is busy learning to read tablature and practising four-part arrangements of pieces. This is very challenging work and the ensemble is coming together well. They rehearse at recess on Wednesdays.

- At lunch on Wednesdays the choir rehearses. New members are welcome in these ensembles.

- Year 10 Music students, Lucinda Gray and Georgia Knight, successfully auditioned for the Talent Identification Program which will be held in Port Macquarie on June 18th and 19th. Congratulations girls!!

- If you need to ring the school and find yourself placed on hold, you will be treated to recordings of student performances from various years. Enjoy!

- Year 11 Music completed their first practical exams of the senior course. They performed as soloists and accompanists in various pieces for their own and other students’ assessments. This group of students is working very well to support each other in their class work.

- On June 2nd and 3rd, HSC Music students attended workshops to develop their HSC performance programs and aural skills. The enrichment days were hosted by the North Coast Region Music Teachers
Association and held at SCU. Students from Coffs Harbour to Kingscliff attended the camp. Workshops were delivered by HSC senior markers from Sydney, specialist instrumental tutors, university lecturers and North Coast region music teachers. Students had the opportunity to present their pieces and musicology vivas for critique. Dylan Pinkerton was selected to perform a solo guitar piece at the evening concert – one of only 13 students selected from the group of 120 students.

On Tuesday night, Year 10 students Tahlia Brice, Lucinda Gray, Jessica Johnson and Georgia Knight provided foyer entertainment at the LCcSS information night held at the Workers Club. Thank you girls.

Byron Bay Student Exchange Information Session
15 June 2013 / 10-11:30am
Byron Bay Community Centre
69 Jonson Street
Byron Bay

World Education Program (WEP) Australia is now accepting applications from students to participate in 2013/14 exchange programs for a summer, semester or year. Students can choose from 26 destinations to study and experience life with a carefully selected host family.

We have been so impressed with WEP - the thorough organisation prior to the exchange and the regular contact with our daughter and both families during the exchange. We have always felt fully informed and confident with the whole program.

An exchange such as this can be emotionally challenging for all concerned - WEP eased our concerns through their professional management of every aspect of this journey.

Maree, teacher and mother of student to France

Exchange students return to Australia with maturity, confidence, and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada, Ireland and the UK are also available.

Become a WEP Host Family! Experience the joys of hosting an exchange student and gaining an international family member.

BRING CULTURAL EXCHANGE INTO YOUR HOME!

STS Student Exchange are seeking Aussie families who are busy, friendly, interested in other cultures and willing to welcome an STS exchange student into their family. Aussie families come from all walks of life and all cultural backgrounds, that’s what makes up our country. Our volunteer host families provide room & board and treat their host son or daughter as a member of their own family. Exchange students have their own spending money and medical insurance. While your exchange student is learning about Australian culture, your family members will learn about theirs. What a great way for your children to learn about another country!

ACCOUNTANCY/FINANCIAL PLANNING TRAINEESHIPS

WCA chartered accountants, a local accountancy firm established in 1922, are pleased to offer traineeships to locally based, motivated and career orientated Year 12 school leavers.

Traineeships combine university study with practical experience in the workforce through full-time paid employment. Trainees are provided with study leave and in-house training to assist them in successfully completing their degree.

Applications for traineeships may be directed to the Office Manager, swatts@wcaaccountants.com.au up until 31 August 2013 with successful applicants beginning their traineeships in February 2014.

Applications throughout the year are still welcome and will be considered.

Any questions on Traineeships can be directed either to your careers adviser or Tony Bazzana at WCA chartered accountants on 6621 2581.
